

# SUNBELT CHRISTIAN YOUTH RANCH NEWSLETTER

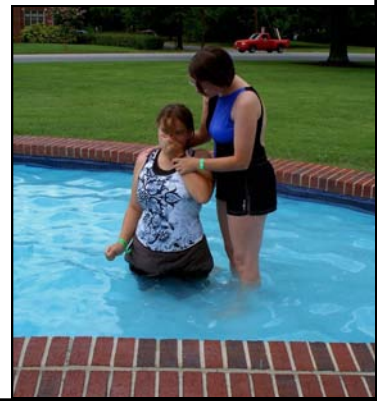

Fall 2009

Celebrating  
20 years

**Christ  
In  
Youth**

Our high school students were able to attend the CIY conference held in Cleveland TN this July. CIY is a Christian ministry which seeks to amplify the call of Christ on student's lives to become kingdom workers through events, trips and resources. While there they participated in daily worship times, devotions, and evening sessions. Allison made a recommitment to Christ and was baptized. This is one of the goals of Sunbelt, to introduce youth to Jesus and his saving grace.

Tremaine Jordan and Jamar along with Rocsy and her son Anthony spent several days with us in July. They helped split and stack firewood and also got their hands dirty in the garden. Volunteers are an essential part of our ministry at Sunbelt and we are grateful for the time and efforts invested.

*He who cuts his own  
firewood is twice  
warmed.*

Open house will be held on October 3rd 2009. Sunbelt will be celebrating twenty years of serving youth. Come out and help us make this a great gathering. Lunch is on us. Music will be provided by Bobby Burns from Tennessee. The kids have a few things planned as well.

Our newest staff member to Sunbelt is Belva Ingram from Decatur, Georgia. Born and raised in Algonac, Michigan she moved to Atlanta in 1975 to attend college. Married Emmett Ingram in 1986 and is a mother of 3 children and one grand-

child. She served at Tucker Christian Church in Tucker Georgia for 20 years. She has been involved in many ministries from Praise Team, Van Ministry, Ladies Ministry, Missions, Community Outreach, and her favorite ministry of all, the Youth Ministry. She says that there is no better JOY than when a child realizes that Jesus loves THEM for who they are and understands He will never, ever leave them.

Judy Trollinger and Dianne Bunn from Tucker Christian Church in Atlanta visited Sunbelt recently. Judy has led work teams here for the past several years through her work with SOAR ministries.

While here they tackled our bunk-house, trying to add some feminine touches to it. After that they were put to work sorting and arranging our library. It definitely shows their efforts. Judy put them to mowing the grass in his front yard in the evenings. Who knew a tractor could do a wheelie?

# In Memory Of

*Given By:*

Jim Arnold	Buster Griggs
Herb Hunt	Hugh & Susan Townsend
Mary Byrd	Gerald & Dale Cranford
