Merry Christmas from all of us at Sunbelt!

Sybil Presley Clark recently visited Sunbelt and spoke with our students about her experiences as a missionary in Africa. She stressed the importance of being open to God's leading and relying on Him in all situations. Our thanks to Sybil for her testimony and inspiration.

Field trips

As part of our school program we try to take the students on a field trip once per quarter. These are designed to expose the children to historical, cultural, scientific or just plain interesting places and people. So far this year we have gone to Tu-

pelo, MS to visit the birthplace of Elvis. Our hostess was Sybil Presley Clark. She gave a wonderful tour and treated us to lunch while there.

We have also been to Memphis, TN where we were the guests of Michael and Cathy Cowan. Our students had the

chance then to go to the Memphis Zoo. If you have never seen a monkey hurl himself against the glass of his cage in order to impress a group of sightseers, you don't know what you're missing.

Veteran's Day

Retired U.S. Army Master Sergeant Jim Davis, along with his wife Helen, came and shared with our students this past Veteran's Day. He recounted his time serving in both the Korean and Vietnam War. Respect, courage, and duty were virtues that were his during his time of enlistment. These are principles that have made our nation great and a world leader. At Sun-

belt we are in the process of molding the young lives entrusted to us. The youth of today are the leaders of tomorrow.
